NONPUBLICATION REQUEST UNDER 35 U.S.C. §122(b)(2)(B)(i)

I hereby certify that the invention disclosed in the attached application has not and will not be the subject of an application filed in another country, or under a multilateral agreement, that requires publication at eighteen months after filing.

I hereby request that the attached application not be published under 35 U.S.C. §122(b).

This request is signed in compliance with 37 C.F.R. § 1.33(b) and submitted with the application upon filing.

The applicant reserves the right to rescind this nonpublication request at any time. If applicant rescinds the nonpublication request that the application not be published under 35 U.S.C. § 122(b), the applicant requests that the application be scheduled for publication at eighteen months from the earliest claimed filing date for which a benefit is claimed.

If applicant subsequently files an application directed to the invention disclosed in the attached application in another country or under a multilateral international agreement, that requires publication of applications eighteen months after filing, the applicant will notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of the filing of such foreign or international application.

Dated this 12 day of October, 2001.

Respectfully Submitted,
